

Dear Perreaux Industries contact

Martin van Rooyen and the staff of Perreaux Industries, welcome you to our 3rd email newsletter for 2004. Perreaux is New Zealand's premier manufacturer of audio and home theatre products (<http://www.perreaux.com>). For many of you, this will be your first contact from our database. Un-subscribe and privacy information is therefore listed at the end of this newsletter.

In this newsletter we cover:

- **O Canada: Perreaux re-establishes Canadian distribution**
- **Perreaux to showcase range at next months' 'Festival Son & Image' Montreal**
- **Flagship pre/power SM6/350 reviewed**
- **Subscribe to >>FFWD magazine and save**

O Canada: Perreaux re-establishes Canadian distribution

After an absence of what seems like an eternity, Canadians will once again be able to purchase quality Perreaux products. We have just signed off on distribution with prestigious Canadian manufacturer and distributor "The Higher Fidelity Company" (<http://www.higher-fidelity.com>) of Markham Ontario. Ph: +1 (905) 294 4833, E-mail: <mailto:higher.fidelity@sympatico.ca>. May this be the beginning of an excellent & long lasting partnership between our two companies.

Perreaux to showcase range at next months' 'Festival Son & Image' Montreal

Canada's largest Hi Fi Show the Festival Son & Image of Montreal, April 2nd - 4th 2004 (<http://www.hifiexpo.com>) is now only days away. The Higher Fidelity Company, will be presenting a selection from our extensive range at the Four Points Hotel - Mont Everest room. If you're planning to attend, please take time to audition the range.

Flagship pre/power SM6P/350P reviewed

Our flagship pre/power amplifier combination, the SM6Prisma fully balanced dual channel pre amplifier and 350Prisma 350W dual channel power amplifier have just been reviewed in the April/May 2004 issue of New Zealand based technology magazine, >>FFWD. Please take a few moments to read this most interesting and well written review - [http://www.perreaux.com/files/new_zealand_ffwd_-_sm6p_350p_\(martin_bell\).pdf](http://www.perreaux.com/files/new_zealand_ffwd_-_sm6p_350p_(martin_bell).pdf)
